During the first three days of the Japanese assault on American Pacific bases in December of 1941, the 24th Pursuit Group, the only unit of interceptor aircraft in the Philippine Islands, was almost destroyed as an effective force. Yet the group's pilot, doomed from the start by their limited training, an inadequate air warning system, and lack of familiarity with the few flyable pursuit aircraft they had left, fought on against immensely superior numbers of Japanese army and navy fighters.

Doomed at the Start: American Pursuit Pilots in the ...

American Pursuit Pilots in the Philippines 1941-2. Doomed at the Start is a monumental volume of research and writing by William Bartsch that tells the story of the United States Army Air Force Pursuits squadrons in the Philippines, that in the months before the Japanese surprise attack, its pilots had no illusions about the inevitable war ahead of them: "Well, we all hope it will come soon, because we are doomed from the start.".

Every Day a Nightmare: American Pursuit Pilots in the Defense of Java, 1941-1942 is William H. Bartsch ' s third book on the dark early days of World War II. U.S. Air Force photo Chicago Daily News war correspondent George A. Weller – later a Pulitzer Prize recipient – spent most of February 1942 on Java and wrote a three-part magazine series called " Luck to the Fighters " about P-40 airmen on that doomed island.

Book Review - Every Day a Nightmare: American Pursuit ...

William H. Bartsch, a former United Nations development economist and independent consultant, now works exclusively researching and writing on the Pacific War. He is the author of three books published by Texas A&M University Press: "Doomed at the Start: American Pursuit Pilots in the Philippines, 1941-1942," "December 8, 1941: MacArthur's Pearl Harbor," and "Everyday a Nightmare: American Pursuit Pilots in the Defense of Java, 1941-1942."
