The final redesign of the original F-Body Firebird took place in 1979. The split grille reduced to a gently sloping, contoured urethane nose with four inset headlights as the dominant features. The bumper came to a central prow with air intakes beneath it on each side and a recessed licensed plate in the middle.

West New York, New Jersey ...

This restoration journal is designed to include all the necessary forms you'll need to document the restoration of your Pontiac Firebird Trans Am. The first page is titled The Project. Enter in all of the details about the specific car you are restoring. Lines are included to enter the following info: owner's name, purchase date, purchase price, year make and model, VIN, odometer reading at time of purchase, engine, transmission, body paint code(s), interior code(s), wheel sizes, tire sizes, and other distinguishing features and options. Next is a paragraph sized section titled Brief Summary of Project Plans. The following 65 pages are blank lined pages titled

Get Free 1979 Pontiac Firebird Trans Am Original Options Brochure 79

Restoration Progress. Use these pages to detail and document stages of the restoration. Following is another 4 pages of dot grids, which are useful for hand-drawn diagrams. Section 2 is titled Parts, Materials and Expenses. This section is used to enter line-by-line all of the parts and materials purchased, along with their costs. Other expenses such as labor, towing, body work, painting, etc can be entered in this section. This section holds 29 pages (25 lines per page) for a total of 725 line entries. An expense entry is available for each line, making it easy to keep a tab on the money flow. A restoration journal is a great tool to add to your tool box. It's worth it's weight in gold at re-assembly time! Use it to take notes on body panel, fender, rocker panel and quarter panel alignments, windshield and back glass removal and installation, hood and trunk lid alignments, door glass installation, wiring harness installation,

rally gauge cluster hookup, seat cover installation, shifter linkage connections, engine rebuild specs, carburetor adjustments, headlight adjustment and tail light connection instructions, and a million other things that may slip your mind later. Thank you, and enjoy your journey!

The detailed story of Pontiac's F-body coupe & convertible throughout three decades--from the height of the personal car/sporty car era of the late sixties, through the fuel crisis/safety first seventies, eighties renaissance and nineties indifference.

David Newhardt. The Pontiac Firebird was originally

Get Free 1979 Pontiac Firebird Trans Am Original Options Brochure 79

overshadowed by the popular Chevrolet Camaro, but the Firebird developed a loyal following and a reputation for true high-performance to earn a high-profile spot in muscle car history. It also had a role in pop culture as Burt Reynolds drove a Trans Am in *Smokey and the Bandit* and young David Hasselhoff took direction from his talking Trans Am in *Knight Rider*. While 1970s environmental and insurance interests emasculated most muscle cars, the Trans Am made a defiant last stand. In 1973, Pontiac introduced the mighty Trans Am Super Duty 455, one of the fastest muscle cars ever. The high-performance, high-profile history of the Firebird Trans Am is presented here along with stunning color photos of choice models.

Celebrate 50 years of Pontiac's iconic muscle car. The early 1960s

Get Free 1979 Pontiac Firebird Trans Am Original Options Brochure 79

saw American auto manufacturers desperately trying to sell cars to the emerging baby-boom market. Pontiac attained success with its original muscle car, the GTO, but as successful as the GTO was, it was handily outsold by Ford's grand-slam home-run pony car, the Mustang. In response, Pontiac entered the pony car market in 1967, its new Firebird, a model that became one of the most iconic cars of the classic muscle-car era. Eventually the top Firebird model, the Trans Am, became the standard bearer for automotive performance in the U.S. market, kept the muscle car flame alive throughout the dark years of the 1970s and led the charge when performance reemerged in the 1980s. Pontiac Firebird: 50 Years chronicles the Firebird's rich history, from the early attempts to reach the youth market in the early 1960s, through the potent and turbulent years of the classic muscle car era, the resurgence of muscle in the 1980s, to

Get Free 1979 Pontiac Firebird Trans Am Original Options Brochure 79

the car's continued popularity today.

Following Ford and Chevrolet, Pontiac entered the pony car market in 1967 and came up with one of the best and most successful muscle cars ever produced. Though based on the Camaro chassis, the Firebird offered unique features and high performance, and over its nearly 40 years of production it continued to wow drivers--as it does today. This book details the Firebird ' s long and illustrious career. With high-quality, detailed color photographs of some of the finer models--both originals and faithful restorations--the book is at once a unique history and a restoration guide to all four generations of the Firebird. Pictures and text profile the correct parts, finishes, options, and trim pieces for various models. The book also covers the vehicle ' s wide variety of engine

Get Free 1979 Pontiac Firebird Trans Am Original Options Brochure 79

options, along with all special editions and model variations from the Firebird ' s introduction in 1967 to the final model in 2002.

This full-color history chronicles Pontiacs Firebird and Trans Am from 1967 to today. The Camaro and Firebird were G Ms response to the Ford Mustang and Mercury Cougar. Firebirds were quite popular, and then the Trans Am came along offering more horsepower and performance.

Have you ever heard of the "ripple effect"? Have you ever considered that one selfish, stupid decision could change your family...your community...your whole life...forever? In this story, based on true-life events, Jake Adams discovers that his choices have unintended consequences-both for good and for evil. And through

Get Free 1979 Pontiac Firebird Trans Am Original Options Brochure 79

those choices, God displays how He weaves the threads of a life into a tapestry, working "all things together for good.."even selfish, stupid decisions. "Hell's Bend is a gripping, fast-paced story with clever plot twists and some surprising outcomes that entertain and challenge both teen and adult readers." -Tim Wildmon, President, American Family Association "In this debut novel, Angie Camp crafts a fast-paced, engaging novel with characters who illustrate the best and the worst of Christ-followers. With its surprising plot twists, engaging characters and too-real conflicts, it will keep the reader up late and challenge any serious reader to take inventory of his own faith." -Randall Murphree, Editor, AFA Journal, American Family Association "To mourn is to know God and His deepest wounds for His Son who bore our infirmities and our sorrows. This intimate, honest, and unforgettable story of tragedy and triumph takes you on

Get Free 1979 Pontiac Firebird Trans Am Original Options Brochure 79

a journey, as despair is conquered and the wounded are made whole again." -Merle Temple, The Redeemed Angie Camp is a worship leader, speaker and first-time author. The single mother of five resides in Northeast Mississippi where she is continuing her education through Liberty University Online in Christian Counseling. Barry Westmoreland, a native of North Mississippi, served as co-author for Hell's Bend: A Moment From Eternity. Although a salesman by trade, his own life experiences inspired Barry to initiate this project. He and his wife, Donna, currently reside in South Alabama."
