The range consisted of the GR 2.8 TD in either three or five-door guise, and the better equipped, but mechanically similar, GR 2.8 TD SE, again in the two body styles.

This superb, fifth-generation (Y61) Patrol is a rare 3-door SE powered by a 2.8-litre turbocharged inline six-cylinder producing 128bhp and mated to a 5-speed manual gearbox. It's very attractively finished in Morello Red over Grey Metallic and sits on a set of unmarked silver alloys wearing an equally smart set of Maxxis Bravo AT 771 tyres.
