Let me explain: Most people love good haunted house stories and it seems that the more lurid it can possibly be, the better. Everyone has probably been exposed to the typical ghost story involving creepy houses with a terrifying specter that sends residents running out screaming, but, alas, these are just stories...unlike many others.

When Mark Spencer and his family moved into the beautiful old Allen House in Monticello, Arkansas, they were aware of its notorious reputation for being haunted. According to local lore, the troubled spirit of society belle Ladell Allen, who had mysteriously committed suicide in the master bedroom in 1948, still roamed the grand historic mansion. Yet, Mark remained skeptical--until he and his family began encountering faceless phantoms, a doppelganger spirit, and other paranormal phenomena. Ensuing ghost investigations offered convincing evidence that six spirits, including Ladell, inhabited their home. But the most shocking event occurred the day Mark followed a strange urge to explore the attic and found, crammed under a floorboard, secret love letters that touchingly depict Ladell Allen's forbidden, heart-searing romance--and shed light on her tragic end. This haunting true ghost story includes several photographs of the Allen House.

A Haunted Love Story is two tales in one: a modern family's attempt to embrace their strange, spirit-inhabited home and a vintage love affair kept secret for six decades. When Mark Spencer bought the Allen House in Monticello, Arkansas, he knew it was haunted--by the spirit of Ladell Allen, who committed suicide in the master bedroom in 1948. But even more shocking, Mark found secret love letters that depict Ladell's forbidden romance. Original.

Wide eyes, sweaty palms and a racing heart. Are these the tell-tale marks of a love story or a haunted tale? If the story is set in Florida, there's a good chance it's both. From the infamous Bellamy Bridge to a haunted lighthouse in Key West, love is in the air--but it isn't always a good thing. Author and folklorist Christopher Balzano follows lingering campus whispers and trails that vanish into the swamp to track down the urban legends and ghostly lore of Sunshine State love affairs that live on even after death.

Romance is undeniably otherworldly. Heart racing, breath quickening, senses ablaze--it's all part of what makes love so frighteningly grand. As Francois de La Rochefoucauld said four centuries ago, "It is with true love as it is with ghosts; everyone talks about it, but few have seen it." And yet, there are those who have seen both. Welcome to Haunted Love. With settings ranging from southern Florida to South Korea, Haunted Love delivers a rich and varied collection of tales that touch the heart and tingle the spine. The book features lush historical narratives that capture all of the tenderness, heartbreak, and raw emotion of the love affairs along with the chillingly detailed encounters with the ghosts these ill-fated romances left behind.

Expanded and with great new stories, this is the biggest and best anthology of ghostly hauntings ever. Over 40 tales of visitation by the undead - from vengeful and violent spirits, set on causing harm to innocent people tucked up in their homes, to rarer and more kindly ghosts, returning from the grave to reach out across the other side. Yet others entertain desires of a more sinister bent, including the erotic. This new edition includes a selection of favourite haunted house tales chosen by famous screen stars Boris Karloff, Peter Cushing and Christopher Lee. Plus a top ranking list of contributors that includes Stephen King, Bram Stoker, Ruth Rendell, and James Herbert - all brought together by an anthologist who himself lives in a haunted house. Stories include: Something unspeakable lurks in a Connecticut apartment closet, in Stephen King's 'The Boogeyman'; An Irish castle holds something truly horrifying in wait, in 'The Whistling Room' by William Hope Hodgson; The lecherous old ghost of a Georgian country house eyes up his latest tenant, in Norah Lofts' 'Mr Edward'; An ancient mansion on a shelf of rock previously occupied by a doomed castle, in 'In Letters of Fire' by Gaston Le Roux; The hunter is hunted in James Herbert's tale of nineteenth-century country mansion, 'The Ghost Hunter'; Psychic phenomena and poltergeists, avenging spirits and phantom lovers - curl up and read on, but never imagine you are safe from a visit...

She doesn't miss a beat in either the characterization or action, scattering clues with a delicate, precise hand. This is, in the end, the story of the anatomy of the human heart." - Booklist (starred review) Dana Schwartz's Anatomy: A Love Story is a gothic tale full of mystery and romance. Hazel Sinnett is a lady who wants to be a surgeon more than she wants to marry. Jack Currier is a resurrection man who's just trying to survive in a city where it's too easy to die. When the two of them have a chance encounter outside the Edinburgh Anatomist's Society, Hazel thinks nothing of it at first. But after she gets kicked out of renowned surgeon Dr. Beecham's lectures for being the wrong gender, she realizes that her new acquaintance might be more helpful than she first thought. Because Hazel has made a deal with Dr. Beecham: if she can pass the medical examination on her own, Beecham will allow her to continue her medical career. Without official lessons, though, Hazel will need more than just her books--she'll need corpses to study. Lucky that she's made the acquaintance of someone who digs them up for a living. But Jack has his own problems: strange men have been seen skulking around cemeteries, his friends are disappearing off the streets, and the dreaded Roman Fever, which wiped out thousands a few years ago, is back with a vengeance. Nobody important cares--until Hazel. Now, Hazel and Jack must work together to uncover the secrets buried not just in unmarked graves, but in the very heart of Edinburgh society.

In famed author-illustrator P.J. Lynch's gorgeous tale, he creates two worlds--underwater and above--to tell an epic and haunting love story. Jacob and his father are the only people who fish Lake Spetzia, which was formed when the river was dammed and their town was flooded. The villagers say the lake is haunted, but Jacob and his father don't want to leave, because Jacob's mother is buried in the cemetery below the water. As Jacob grows up, a village girl named Ellen falls in love with him, and he with her. But before they are married, Jacob disappears--lured underwater by the ghosts who inhabit the sunken village. Years go by, with Jacob held captive by the watery spirits and Ellen never giving up hope that she will find him, until a fateful night when Jacob sees the light of Ellen's boat floating above. Can he break free and reach the surface? Masterful illustrations alive with achingly expressive characters and eerie underwater light bring readers into acclaimed creator P.J. Lynch's rich world of love, loss, and hope.

The acclaimed New York Times--bestselling biography and "emotionally detailed portrait of the artist as a young man" (Michiko Kakutani, The New York Times) In the first biography of the iconic David Foster Wallace, D.T. Max paints the portrait of a man, self-conscious, obsessive and struggling to find meaning. If Wallace was right when he declared he was "frightfully and thoroughly conventional," it is only because over the course of his short life and stunning career, he wrestled intimately and relentlessly with the fundamental anxiety of being human. In his characteristic lucid and quick-witted style, Max untangles Wallace's anxious sense of self, his volatile and sometimes abusive connection with women, and above all, his fraught relationship with fiction as he emerges with his masterpiece Infinite Jest. Written with the cooperation of Wallace's family and friends and with access to hundreds of unpublished letters, manuscripts and journals, this captivating biography unveils the life of the profoundly complicated man who gave voice to what we thought we could not say.
