A History Of Old English
The oldest surviving text of Old English literature is usually considered to be "Cædmon's Hymn", composed between 658 and 680. Northumbrian culture and language dominated England in the 7th and 8th Centuries, until the coming of the Vikings, after which only Wessex, under Alfred the Great, remained as an independent kingdom.

The History of English - Old English (c. 500 - c.1100)
Old English language, also called Anglo-Saxon, language spoken and written in England before 1100; it is the ancestor of Middle English and Modern English. Scholars place Old English in the Anglo-Frisian group of West Germanic languages .

Old English language | History, Characteristics, Examples ...
The history of Old English can be subdivided into: Prehistoric Old English (c. 450 to 650); for this period, Old English is mostly a reconstructed language as no literary witnesses survive (with the exception of limited epigraphic evidence). This language, or closely related group of dialects, spoken by the Angles, Saxons, and Jutes, and pre-dating documented Old English or Anglo-Saxon, has also been called Primitive Old English.

Old English - Wikipedia
Old English is a West Germanic language that was spoken and written by the Anglo-Saxons between the 5th and 11th centuries in the southern part of the Britain island. The language had several influences, including Latin, Norse, and Celt. There are several letters used in Old English that are not used anymore in modern English.

Old English - History of the English Language
English is a West Germanic language that originated from Anglo-Frisian dialects brought to Britain in the mid 5th to 7th centuries AD by Anglo-Saxon migrants from what is now northwest Germany, southern Denmark and the Netherlands. The Anglo-Saxons settled in the British Isles from the mid-5th century and came to dominate the bulk of southern Great Britain. Their language, now called Old English, originated as a group of Anglo-Frisian dialects which were spoken, at least by the settlers, in Engl

History of English - Wikipedia
Earliest known Old English inscriptions: Old English: 1066: William the Conqueror, Duke of Normandy, invades and conquers England: c1150: Earliest surviving manuscripts in Middle English: Middle English: 1348: English replaces Latin as the language of instruction in most schools: 1362: English replaces French as the language of law.

History of English | EnglishClub
By the 14th Century, noun genders had almost completely died out, and adjectives, which once had up to 11 different inflections, were reduced to just two (for singular and plural) and often in practice just one, as in modern English. The pronounced stress, which in Old English was usually on the lexical root of a word, generally shifted towards the beginning of words, which further encouraged the gradual loss of suffixes that had begun after the Viking invasions, and many vowels developed ...

The History of English - Middle English (c. 1100 - c. 1500)
Many exceptional outcomes occurred in particular environments, e.g. vowels were often lengthened in late Old English before /ld, nd, mb/, vowels changed in complex ways before /r/, throughout the history of English; vowels were diphthongized in Middle English before /h/, new diphthongs arose in Middle English by the combination of vowels with Old English w, g / / > /w/, and /j/; etc. The ...
