This book is gorgeous. An hour by hour explication of the Amduat based upon the tomb of Thothmes III (but incorporating other known sources), coupled with a Jungian analysis of the symbols and progression, all in full colour! Perhaps best savoured in conjunction with Hornung's "The Ancient Egyptian Books of the Afterlife".

Visit the afterlife with explorer Bruce Moen, as he maps out the territory ahead of us all--beyond physical death--in this remarkable second book in the Exploring the Afterlife series. The ultimate travel memoir, Voyage Beyond Doubt allows you to witness the power of the human mind as moen uses his Monroe Institute training to communicate with the dead, journey through the afterlife and come back again with a greater understanding of life, death, and what it's really all about. Moen relates numerous incredible experiences of discovery: meeting his dead grandmother, aiding lost souls to find their way to the afterlife, beginning a "ghost-busting" service, and gaining a fuller, more complete understanding of the regions of the nonphysical. Moen even encounters now-deceased OBE explorer Bob Monroe in his travels in the beyond. A thrilling adventure into the unknown. Voyage Beyond Doubt is a travel guide for the new intrepid explorers of the nonphysical realms.

Why the Amduat is significant -- every evening the sun becomes old and weak and finally sets behind the Western horizon. Yet, it rises again in the morning, rejuvenated. How is that possible? How could the sun for the Ancient Egyptians the Sun God become young and revitalised during the night, during his night journey? What happens during this time? The Amduat is a description of the journey of the Sun God through the night world, that is also the world of the deceased. The knowledge contained in the Amduat is meant for the dead Pharaoh. But the text also recommends this knowledge for living beings. Thus, the journey of the Sun God can also be seen as a symbolic representation of an inner psychic process of transformation and renewal.

The guide of choice for anyone who plans to die someday--are YOU ready for the AFTERLIFE? To find out, take this simple quiz: 1. Like Earth, the Afterlife has celebrities, outcasts, deadheads, losers, and busybodies. True False 2. Is there an Afterlife after the Afterlife? Yes No 3. When you first arrive on "the Other Side," you will be given: a) a set of wings b) a toaster c) a copy of A Newcomer's Guide to the Afterlife Don't worry if you're not sure how to respond. A Newcomer's Guide to the Afterlife has answers to these questions and more--and if you're lucky, some of them may turn out to be right! An irreverent, one-of-a-kind compendium from the award-winning author of Ishmael, A Newcomer's Guide to the Afterlife can be read as a parable, an allegory, a work of fiction--or exactly what it claims to be: a helpful handbook for the recently deceased. It is filled with uncommon wisdom, bizarre imaginings, uncanny perceptions, and unexpected humor. Is it fantastic escapism or a seminal event in human history? Read it and find out.... Face it. The Afterlife is the ultimate test. You might as well study.

World-renowned psychic medium and Oxford-educated attorney Mark Anthony bridges the divide between faith and science in this fascinating afterlife exploration, taking you around the globe, from the cosmic to the subatomic, and into the human soul itself. Combining physics, neuroscience, and riveting true stories, this book: • reveals how our "electromagnetic soul" is pure eternal energy that never dies. • takes spirit communication, near-death experiences, and deathbed visions out of the shadows of superstition and into the light of twenty-first-century science. • presents Anthony's RAFT technique to recognize contact with spirits, accept it as real, feel it without fear, and trust in the experience. • provides hope for recovery from grief, PTSD, survivor's guilt, or a loved one's suicide or homicide. • illuminates how contact with spirits is a powerful instrument of healing and love.

In Handbook to the Afterlife, two seasoned experts with decades of experience working with channeled material describe the stages that spirits go through, focusing on the details that these accounts have in common. Just as life itself has different stages of growth and development, so most accounts of the afterlife are consistent with the authors' view that dying and rebirth are also continuous processes. Beginning with the moment of death itself, progressing through different transitional stages, and ending with the return of spirits to the physical plane, authors Pamela Heath and Jon Klimo define the purposes and pitfalls of each stage. They look at the kinds of adjustment problems that occur in each phase, and how spirits can be helped to move forward. Questions of pain and emotional state at the time of death, karma, and reincarnation are sensitively addressed. The book includes practical techniques for opening up communication with those who have passed on to the other side. While of interest to anyone seeking a general overview of the subject, Handbook to the Afterlife is particularly useful for those dealing with spirits who have not moved on, such as ghosts.

With contributions from leading scholars and detailed catalog entries that interpret the spells and painted scenes, this fascinating and important work affords a greater understanding of ancient Egyptian belief systems and poignantly reveals the hopes and fears about the world beyond death.

"A definitive, deeply moving inquiry into the life of the young, imperiled artist, and a masterful exegesis of Diary of a Young Girl...Extraordinary testimony to the power of literature and compassion" --Booklist (starred review) In Anne Frank: The Book, the Life, the Afterlife, Francine Prose, author of Reading Like a Writer, deftly parses the artistry, ambition, and enduring influence of Anne Frank's beloved classic, The Diary of a Young Girl. Approved by both the Anne Frank House Foundation in Amsterdam and the Anne Frank-Fonds in Basel, run by the Frank family, this work of literary criticism unravels the complex, fascinating story of the diary and effectively makes the case for it being a work of art from a precociously gifted writer.

Dr. Michael Newton, best-selling author of Journey of Souls and Destiny of Souls, returns with a series of case studies that highlight the profound impact of spiritual regression on people's everyday lives. Edited by Dr. Newton, these fascinating true accounts from around the world are handpicked and presented by Life Between Lives hypnotherapists certified by the Newton Institute. After recalling memories of their afterlife, the people in these studies embarked on life-changing spiritual journeys--reuniting with soul mates and spirit guides, and discovering the ramifications of life and body choices, love relationships, and dreams by communing with their immortal souls. As gems of self-knowledge are revealed, dramatic epiphanies result, enabling these ordinary people to understand adversity in their lives, find emotional healing, realize their true purpose, and forever enrich their lives with new meaning.

What happens when we die? Is there really a heaven and a hell? What can we expect on the other side? In this profoundly insightful and fascinating work, world-renowned author Elizabeth Clare Prophet answers these questions and more as she sheds new light on the mysteries of the life beyond. Gifted with powerful inner sight, enabling her to trace the journey of souls into the afterlife, she begins by sharing stories of those who have passed on as she reveals what they experienced and why. She explores common misconceptions about the afterlife and even takes us to the movies to show how Hollywood has gotten it both right and wrong. As she opens the door into hidden dimensions, you will learn what happens during the life review (and "pre-life" review), what we do and who we meet in the afterlife, why suicide isn't a solution, the truth about forgiveness, and how you can help your loved ones make a safe and peaceful transition. Just as importantly, you'll explore how your options in the afterlife will depend on the choices you make in this life. With clarity and compassion, this life-changing guide to what comes next will show you how to make the most of life's opportunities as you prepare for the ultimate journey.
