It's Pixar's first feature film driven by a female lead and its first set in an ancient historical period. Against a backdrop of castles, forests, and highlands, Brave follows the fiery Merida as she clashes with the duty of her royal life and embarks on a journey through the rugged landscape of the dark ages of Scotland. At once epic and intimate, the latest Pixar masterpiece weaves a story of magic, danger, and adventure and the fierce bonds of family. Featuring behind-the-scenes interviews with the film's many artists and filmmakers, The Art of Brave showcases the gorgeous concept art that went into the making of this movie, including color scripts, storyboards, character studies, environment art, sculpts, and more. A Foreword by Brenda Chapman and Mark Andrews, the film's directors, and a preface by Chief Creative Officer John Lasseter shed light on the creation of this landmark film.

Princess Merida and her horse Angus go on an adventure through the forest, where their safety is threatened when Angus encounters all of his fears--loud noises, the dark, and heights.

Cars 2 is a globetrotting, high-octane ride through the world of Lightning McQueen, his best friend Mater, and an international collection of completely new characters. The Art of Cars 2 follows the development of the second installment in the Cars series, from the first story concepts and the filmmakers' worldwide research to the intricate "carified" details that make up the unique Cars 2 universe. Featuring the behind-the-scenes concept art that went into the film's creation--including color scripts, storyboards, character studies, environmental art, sculpts, and more--as well as a forward by director and racecar-enthusiast John Lasseter, The Art of Cars 2 celebrates the art and intrigue of this amazing new Pixar film.

Over the past 25 years, Pixar's team of artists, writers, and directors have shaped the world of contemporary animation with their feature films and shorts. From classics such as Toy Story and A Bug's Life to recent masterpieces such as Up, Toy Story 3, and Cars 2, this comprehensive collection offers a behind-the-scenes tour of every Pixar film to date. Featuring a foreword by Chief Creative Officer John

Lasseter, the complete color scripts for every film published in full for the first time as well as stunning visual development art, *The Art of Pixar* is a treasure trove of rare artwork and an essential addition to the library of animation fans and Pixar enthusiasts.

Skilled archer Princess Merida and her bear friends help teach about opposites.

After *Toy Story*, *Ratatouille*, *WALL-E*, and other award-winning blockbusters, where else could Pixar Animation Studios go but *Up*? Their film is the heartwarming story of Carl Fredrickson (voiced by Ed Asner), a 78-year-old widower who feels that life has passed him by—until a twist of fate takes him on a journey across the globe. *The Art of Up* contains more than 250 pieces of concept art developed for the feature, including storyboards, full-color pastels, digital and pencil sketches, character studies, color scripts, and more. Quotes from the director, artists, animators, and production team reveal the sky-high creativity that elevated this whimsical film to new heights.

Read along with Disney! Princess Merida has been told she must always behave like a typical princess. But Merida would much rather practice her archery or explore the kingdom. Most of all, Merida wishes she could just be herself, if only for one day. . . .
