DO ME A FAVOR? I'm serious - will you? I want you to think back to the last time you thought, "Oh, I love getting up in the morning when I haven't gotten enough sleep the night before!" Or, the last time you said, "Yep, going to bed at a reasonable hour is the easiest thing I've ever done." Oh, and this is my favorite: "Gosh, my favorite thing to do is figure out what I'm going to eat when I have four minutes and have no food in my fridge!" Um... never. You've never said those things. And, if you have, you're most likely delusional. But, if you're not one of those "I love waking up when I'm tired" people - do they even exist?! - then I'm happy for you. Why? Because your life is about to change. *high five* HEY BEYONCÉ - WE'RE ABOUT TO

WAKE UP FLAWLESS Automate Your Routines, Guarantee Your Results hilariously delivers a five-step formula that shows you how to automate your morning, evening, and eating routines. We'll also walk through how to permanently eliminate your bad habits, liberate your brain power, and focus on what is most important to you. The formula combines the principles of computer programming - a language whose sole purpose is to automate - with the basics of human behavior to show you how to guarantee the results you desire. Not a bad gig. (Note: I said the principles of computer programming, not computer programming itself. So, no stress for you non-techies out there. Seriously - stop stressing!) Oh, and did I mention that it only takes seven days to automate any routine? Yeah, you're going to love this. second nature. -Your time will be liberated. -You will erase your bad habits. And you'll free up your brain power like Steve Jobs (a master of automation) to focus on more "take-over-the-world" type ventures. As a side note, Steve Jobs changed the world forever, was brilliant, and was crazy rich. So, if that's not enough to pull you in, then that's quite unfortunate for the both of us. -Unfortunate for you because you're maybe, probably...how do I say this...boring. -Unfortunate for me because you will mostly likely not read this book. Good morning! The alarm clock rings, and it ' s time to get up – brush your teeth, shower, eat breakfast, read the paper and head to work. Day in, day out. Most of us begin our day with this type of routine. Often we are not aware of the advantages of having a routine – what is even more questionable is the notion that we often have a morning routine, but no evening routine. Routine = negative. Wrong! All too often the word routine ' has a negative connotation. Many people feel trapped in the boredom of the daily grind and often take routine as something negative. In contrast, routines help us to better organise our thoughts and plan our day. So why not expand the morning routine to the evening routine? Good evening! Taking a little

personality with your career and personal obligations. Unfortunately, it isn't always easy to stick to a day-to-day ritual. You might be so busy that you can't add anything else to your crowded schedule. Or you might be following advice that doesn't match who you are. (Like forcing yourself to wake up at 5 a.m. when you work best late a night.) So what's the secret to creating a daily routine that sticks? The answer: Build one that matches your natural energy levels and gives you the flexibility to meet all of your day-to-day obligations. LEARN:: How to Find (and Focus on) the 80/20 of Your Daily Activities The trick to finding that work-life balance is to be intentional with how you spend your time. You can do this by applying the 80/20 rule, which states that you achieve 80% of your results from 20% of your effort. This principle applies to all areas of life. Right now, only a handful of the activities you do each day will have the biggest big impact on your life -- whether
