Hang Gliding Training Manual by Pagen, Dennis - Amazon.ae

Dennis Pagen has long been a hang-gliding guru, but times move on. This is an updated version of an earlier work, but its age still shows through. The BHPA pilots manual is a more current work, and if it's the only traning manual you're going to buy, you should buy that, but Pagen's book complements it quite well offering the occasional useful bit of detail that the BHPA book misses. Read more ...

Amazon.com: Hang Gliding Training Manual: Learning Hang

Dennis Pagen has been writing about sport aviation—hang gliding, paragliding, ultralights and weather that affects them—since 1975. He has written twelve books and over 400 articles in trade magazines, all related to flying for fun. There doesn't seem to be an end to this activity, for as sports continue to evolve, new techniques and experiences demand definition. The author was raised in ...

About Us - Dennis Pagen Hang Gliding & Paragliding Books

Co-authored by Dennis Pagen and Bill Bryden, TOWING ALOFT is the fruit of 20 years of towing practice and 2 years of intensive research on all the towing techniques practiced in the U.S. and other countries. All the latest towing methods are covered from the pilot's and from the tow operator's point of view. Beside actual towing skills, we have covered towing equipment, safe procedures and ...
