Dr. Khalsa's natural dog (2009 edition) | Open Library  
She co-authored, Healing Your Horse: Alternative Therapies (Howell Book House, 1993), and most recently authored, 'Dr. Khalsa's Natural Dog' (Kennel Club Books, 2009), a book best described as a 'holistic bible' for dog owners.

"Dr. Khalsa's Natural Dog presents an inspired way for dog owners to design a healthy diet for their dogs specifically geared toward their age, health, and lifestyle. The book covers various holistic topics such as botanical medicine and homeopathy and discusses cancer, allergies, and other significant canine health disorders"--

A pioneer in holistic veterinary medicine, Dr. Deva Khalsa shares her effective, integrative approach to natural health and healing for dogs in this invaluable book. Expanded and updated, Dr. Khalsa's Natural Dog, in its second edition, presents an inspired way for dog owners to design a diet specifically for their dog's needs, lifestyle, age, and health. Developed over decades of practice and study, Dr. Khalsa's methods combine traditional veterinary medicine, wholesome nutrition, and holistic therapies, such as alternative methods, herbal remedies, and botanical medicine. In the new edition, Dr. Khalsa will present the latest research on such important issues as avoiding and treating cancer, chronic gastrointestinal problems, allergy elimination, and effective holistic treatments for ten common problems. In the Foreword, Dr. Marty Goldstein, a colleague of the author for over four decades, says that Dr. Khalsa "knows, feels, and practices healing, patient by patient" [and] this book "is nothing more than a mirror of the incredible spiritual energy of a true healer." By using the simple methods and concepts put forth in Dr. Khalsa's Natural Dog, dog owners can effect positive, life-changing improvements for their beloved four-legged companions. INSIDE DR. KHALSA'S NATURAL DOG Over 100 original, wholesome recipes, including new grain-free and allergy free recipes A modern primer on canine nutrition and how to feed dogs for optimal health The secrets of herbal supplementation and the use of vitamins and minerals Holistic strategies for dogs with special needs, including allergies, heart and kidney diseases, obesity, and diabetes Expanded, updated chapter on preventing, managing, and treating canine cancer PRAISE FOR THE FIRST EDITION "Dr. Khalsa has provided an invaluable book to help keep dogs well and to enable them to recover from a variety of health problems. Her holistically integrative approach is a welcome contribution for the good dogs around the world." Dr. Michael W. Fox, syndicated veterinary columnist "Natural Dog is the most comprehensive book on holistic dog care for the twenty-first century." Joanne Stefanos, DVM, author of Animals and Man "This book is a lively informative read for all those devoted to their canine companions!" W. Jean Dodds, DVM, world-famous veterinary hematologist.

Dr. Deva Khalsa, a pioneer in holistic veterinary medicine, shares her effective, integrative approach to permanently eliminating dog allergies in this invaluable book. Dr. Khalsa shows how to strengthen your pet's immune system without the use of surgery or pharmaceutical drugs, and presents holistic health therapies for keeping your dog as healthy as it can be. Developed over decades of practice and study, Dr. Khalsa's methods combine traditional veterinary medicine, wholesome nutrition, and holistic therapies, such as alternative methods, herbal remedies, and botanical medicine. The Allergic Dog features a detailed explanation of the author's allergy elimination technique—a new approach for dealing with pet allergy problems. This inspired book offers useful advice for dog owners on food sensitivity, hot spots, ear infections, ringworm, scabies, intestinal parasites, vaccinations, and more. Inside The Allergic Dog: Holistic Therapies for an Allergy-Free Dog An inspiring new approach for dealing with pet allergy problems. Holistic health therapies for keeping your pets as healthy as they can be. How to strengthen your pet's immune system without the use of surgery or pharmaceutical drugs. The secrets of Dr. Khalsa's positive, life-changing allergy elimination technique. Useful advice on food sensitivity, hot spots, ear infections, ringworm, scabies, intestinal parasites, vaccinations, and more.

A holistic approach to healing through making smart food choices by health guru Dr. Dharma Singh Khalsa that combines spiritual advice and integrative medicine to provide healthful recipes and nutrition plans targeting common and chronic illnesses for a longer, healthier, natural life. Did you know that blueberries

can increase brain longevity? That kiwi fruit can be an excellent weapon for battling cancer and heart disease? That pears can help prevent fibroid tumors? From the bestselling author of Meditation as Medicine, comes a remarkable book that helps you achieve maximum health by eating well. Grounded in science, Food as Medicine is a pragmatic and accessible reference that sets readers on the right nutritional path. Dr. Khalsa then explains how to use natural organic juices and foods as medicine, and how food can help reverse the progress or diminish the symptoms of certain diseases, such as Alzheimer's and Hepatitis C. Drawing on patient case histories, Food as Medicine outlines the seven principles of "The Khalsa Plan" for healthy eating, details ailment-specific nutritional plans, and lays out dozens of delicious recipes that promote overall well-being. After all, food is not only the original medicine -- it's the best medicine.

"An eight-week program to optimum health for dogs and cats featuring quick and easy recipes for homecooked meals and treats, a healthy introduction to natural supplements, and a practical guide to grooming and play"--Provided by publisher.
