Endoscopy for the Veterinary Technician PDF | Vet eBooks

Review by Kathy Lyon. (Click on stars for an explanation) After finding her participation in endoscopy procedures limited, the author set out to provide a source for technicians to learn the use and care of the endoscope, so as to better assist the veterinarian and provide a more effective use of the veterinarian's time. This book delves into the care and maintenance of the endoscope, cleaning, sterilizing, assembling, and otherwise making it available for the next use.
