Inspired by the viral New York Magazine article, Hustlers follows a crew of savvy former strip club employees who band together to turn the tables on their Wall Street clients. Plot Summary | Plot Synopsis

Hustlers (2019) - IMDb
Slang. a person who employs fraudulent or unscrupulous methods to obtain money; swindler. Informal. an expert gambler or game player who seeks out challengers, especially unsuspecting amateur ones, in order to win money from them: He earned his living as a pool hustler.

Hustler | Definition of Hustler at Dictionary.com
"Fast" Eddie Felson is a small-time pool hustler with a lot of talent but a self-destructive attitude. His bravado causes him to challenge the legendary "Minnesota Fats" to a high-stakes match, but he loses in a heartbreaking marathon. Now broke and without his long-time manager, Felson faces an uphill battle to regain his confidence and his game.

Wolf and Ivy are willing to go up against an entire army in the name of revenge for their daughter, but in the end will it all be worth it? Join Best Selling Author Silk White as he takes you on a bloody ride that readers won't soon forget...

I make my living as a hustler, and I'm great at it.I don't have a single tell and I use that to my advantage to manipulate any situation.I've always known what a person is about to do before they've even decided.That is, until I met Penelope. I can't get a read on her, and what's worse, she doesn't want anything to do with me.Which only makes me want her more.Now I'm in for the hardest hustle of my life.Somehow I have to convince her she belongs with me. Good thing I'm always up for a challenge.

If Hemingway had the passion for pool that he had for bullfighting, his hero might have been Eddie Felson (Time). The novel that inspired the classic film starring Paul Newman and Jackie Gleason, The Hustler tells the story of Fast Eddie Felson, a young pool player who hustles suckers in small towns, looking for stake money so he can reach his goal: a marathon match in Chicago against Minnesota Fats. An exploration of guts, stamina, and character, and of the difference between winners and losers, this tense, gritty tale is a wonderful hymn to the last true era when men of substance played pool with a vengeance (Time Out).

What is the difference between a promoter and a hustler?" Bill Veeck asks. "Well, let's look at it this way. Neither one of them is an advertiser. An advertiser pays for his space. A promoter works out a quid pro quo . A hustler gets a free ride and makes it seem as if he's doing you a favor." Keep this in mind as Veeck, one of baseball's all time characters and certainly its best ever hustler, draws on an apparently bottomless well of stories, anecdotes, theories, and attitudes involving the often bizarre world of major league baseball. And, of course, he's never afraid to speak his mind. The Hustler's Handbook is a rich, hilarious, flagrantly outspoken lesson on how to operate as a hustler in the corporate jungle of modern baseball."

A Hustler's Son 2 is the Sequel to A Hustler's Son with Triple Crown Publications

Fast Eddie Felson--young, sure of himself, and considered by some to be one of the best pool hustlers around--sets out from California to Chicago until he meets his match in the undefeated Minnesota Fats. Reissue.

The reigning Queen of Hip-Hop Lit, Nikki Turner returns with a fresh and fierce tale sure to satisfy longtime fans and create new ones. Desember Day is beautiful, confident, and smart. She has more game in the streets than a basketball player does on the court, and her boyfriend, Fame, loves every single inch of her. But unlike her mother, who has been in one bad relationship after another, Desember is not going to wait on a knight in shining armor to save her, and even her love for Fame can't stand in the way of Desember selling anything and everything—legal or illegal—that can turn a profit, so that she never has to depend on a man. The only thing Desember feels she's lacking is a father to call her own. And her mother refuses to tell Desember who he is. When Fame finds himself at the wrong end of a gun, fighting for his life, Desember wants nothing more than to stand by her man, but Fame warns her from his hospital bed that she isn't safe. Desember wonders if she was the real target. Her mother, concerned for Desember's safety, arranges for her daughter to travel to Richmond, Virginia, to live with Desember's father and his wife.And when her father's identity is finally revealed, Desember learns that she is a Natural Born Hustler. But are her troubles really over? Or is the worst yet to come?

Long live the Queen of Hip Hop Lit! Nikki Turner is back with another explosive, page-turning sequel to her #1 bestselling novels A Hustler's Wife and Forever a Hustler's Wife. Yarni Taylor is a successful corporate attorney who wants nothing more than for her husband, Des, to renounce his hustlin' ways and commit to his life as a pastor—especially after someone tries to kill him. But Des isn't ready to abandon his old habits just yet. He has to find out who is behind the murder attempt, and he wonders if the brazen robbery that took place during one of his church services is related in any way. But before he or Yarni can regain their footing, a young woman shows up on their doorstep—Desember Day, the eighteen-year-old daughter Des never knew he had. And, unfortunately, she takes after her father, so trouble isn't far behind. With their lives on the line, Yarni must sacrifice everything and take it out of the office and back to the streets to save her husband and her family from their checkered but intricately connected pasts.

A cautionary tale about the life of former kingpin Azie Faison, who has become the fabric of street legend Faison was a ninth grade dropout who earned more than $100,000 a week selling cocaine in Harlem, New York, during the peak of America's "War on Drugs" between 1983 and 1990. Faison, along with two partners, was an urban prince with cars, jewels, and people -- in awe of this million-dollar phenomenon -- at his feet. His legacy has been praised by hip-hop's top names in their lyrics, and his life was the basis for the urban cult classic film Paid in Full starring Mekhi Phifer, Wood Harris, and rapper Cam'ron and produced by Jay-Z's Roc-A-Fella Films. In Game Over, Azie brings forth a powerful memoir of New York's perilous drug underworld and music industry, with an intellect and wisdom to empower and challenge the street culture he knows so very well.

The Hustler's Holy Book is the money-maker's bible. Everything a striving hustler needs to know is found within, from the definition of this way of life, to the attributes and qualities needed to acquire and discard if wishing to conquer this world of money. The book takes you back through the history of money and banking touching upon the controversies that surround these topics, before offering guidance on debt, saving, setting up a business, and economics. However, this is no ordinary book about money and finances; it has been written from a young, fresh perspective, advising its readers on how to hustle but remain conscious at the same time. The approach and style of writing of The Hustler's Holy Book will appeal to the younger reader, alluding to a revolution of people's thoughts on working in a constantly changing and competitive world. Not only is the book educational and full of knowledge, but it will leave one feeling ambitious and determined without compromising humility. This book will not provide readers with a get-rich-quick scheme like so many other books on the market, but instead, will give readers the focus to continue hustling with a greater knowledge of what this lifestyle is all about. A quote from the book says it best, "This book is a map. Its words, and the thoughts it will evoke, will lead you closer to the treasures you wish to find."
