In the Stillness is a stimulant of the best
and worst kind; it is truly captivating and
commensurate with the suffering of so many in
society. The only reason I haven't given In
the Stillness 5+++++ stars is because of some
editing issues that were missed, such as
omitted words in places.

Stillness, true stillness, of both mind and body, is a gift. TM taught me how to access that stillness and open that gift every single day." --Michael J. Fox "Bob Roth's Strength in Stillness is the simplest, most engaging, and easiest-to-understand guide to Transcendental Meditation--a technique I have come to rely on to help me navigate my wonderfully challenging, at times stress-inducing life."
