The creation, implementation, and sustainability of new ideas is the lifeblood ensuring the growth and viability of any organization. Without continuing innovation, competitive advantage and global market share are endangered. Once-thriving organizations can find themselves unprepared for the future. A Passion for Ideas gathers together a stunning list of today's thought leaders to shed light on how "the new" is discovered. Via interviews and essays, an exciting and diverse international group of innovators-representing not only business, but also science and the arts-share their insights and help us to understand the process of creativity and construction and the methods to move organizations forward in an ever-changing climate.

This text is an unbound, binder-ready edition. For nearly four decades, Abnormal Psychology has been a trusted resource for instructors and students. Known for its comprehensive coverage of current research, theory and treatment, Abnormal Psychology has long been praised for its multiple paradigm approach and coverage of cutting-edge research and theory which are central to the discipline. The 12th Edition boasts a number of updated references throughout the text, with new clinical cases and figures. New material on culture and ethnicity and how it impacts the study of psychopathology and intervention.

What can fables and fairytales tell us of law, its practices and ideals? Drawing on real and metaphorical literary and jurisprudential accounts and practices of law, this volume reveals that law has recourse to fables and fairytales as moral exempla, as a new form of law and literature, found in diverse sources ranging from the fables of de La Fontaine and fairytales of Perrault and Grimm to the modern fairytales of True Blood and Harry Potter.

The twenty-three articles in this volume are based on papers and posters presented at the Olomouc Linguistics Colloquium (OLINCO) at Palacký University in the Czech Republic in June 7-9, 2018. This conference welcomed papers that combined analyses of language structure with generalizations about language use. The thematic sections are as follows: Part I. Micro-syntax: The Structure and Interpretation of Verb Phrases; Part II. Micro-syntax: Word-Internal Morphosyntax in Nominal Projections; Part III. Macro-syntax: Structure and Interpretation of Discourse Markers and Projections; Part IV. Empirical Approaches to Contrastive Linguistics and Translation Studies. Články v tomto sborníku vycházejí z příspěvků prezentovaných na konferenci Olomouc Linguistics Colloquium (OLINCO), pořádané Univerzitou Palackého v Olomouci ve dnech 7. 6. - 9. 6. 2018. Jako téma byl zvolen "Jazyk jako prostředek a lingvistická struktura", což mělo umožnit prezentaci referátů ze všech současných lingvistických disciplín, pokud se zabývají vědeckým (empirickým, formálním) popisem jazykového systému. Články jsou rozděleny do následujících tematických sekcí: Part I. Micro-syntax: The Structure and Interpretation of Verb Phrases; Part II. Micro-syntax: Word-Internal Morphosyntax in Nominal Projections; Part III. Macro-syntax: Structure and Interpretation of Discourse Markers and Projections; Part IV. Empirical Approaches to Contrastive Linguistics and Translation Studies.
