When I was a very young child (circa 1960), one of the first books I was given was a 1930 edition of Watty Piper ' s The Little Engine That Could. I ' ve loved trains since I was a kid and I ' m convinced this little tome was an early contribution to what ' s become an obsession. It would be several years before I realized there is more than one version of the classic children ' s story.

The Little Engine That Could informs children about optimism and effort, that a little locomotive could achieve what others disdained. This again is the mindset required for Dunedin Railways, the council and everyone else involved — just as it was 30 years ago. The city needs to assert “ I think I can, I think I can ” .
