Love Never Dies (SATB Choir) - Arranged by Ed Lojeski
William Yeoman of The West Australian wrote, "With book by Ben Elton and lyrics by Glenn Slater and Charles Hart, Love Never Dies is a curious mixture of gothic romance, vaudeville and verismo, with Lloyd Webber's lush, romantic score spinning like a fairground ride from Puccini to Pulcinella to driving rock to delicate aria as the tragedy unfolds. Under Simon Phillips' unfailingly cogent direction, the cast too manage to transform the most unpromising material, if not into gold then at ...

The Phantom of the Opera

The stunning continuation of the timeless classic The Phantom of the Opera. In The Phantom of Manhattan, acclaimed, bestselling suspense novelist Frederick Forsyth pens a magnificent work of historical fiction, rife with the insights and sounds of turn-of-the-century New York City, while continuing the dramatic saga which began with Gaston Leroux's brilliant novel The Phantom of the Opera... More than two decades have passed since Antoinette Giry, the mistress of the corps de ballet at the Paris Opera, rescued a hideously disfigured boy named Erik from a carnival and brought him to live in the labyrinthine cellars of the opera house. Soon thereafter, his intense, unrequited love for a beautiful chorus girl set in motion a tragic string of events, forcing him to flee Paris forever. Now, as she lies dying in a convent, Madam Giry tells the untold story of the Phantom and his clandestine journey to New York City to start anew, where he would become a wealthy entrepreneur and build the glorious Manhattan Opera House...all so he could see his beloved, now a famous diva, once again. But the outcome of her visit would prove even more devastating than before-- and yet, would allow the Phantom to know, for the first time in his brutal life, the true meaning of love...

The Phantom of the Opera

Love never dies in this haunting tale of reincarnation and thwarted destiny. In the 21st century Mercy McAlister inherits her late Aunt's farmhouse, the home once an idyllic setting where a shy seven year old child spent a blissful Kansas summer. Time and the realities of adulthood repress the strange and wonderful memories of that summer. Only upon her return to Kansas do these memories begin to surface, accompanied by paranormal events that begin in the home as she readies it for sale. During this process she stumbles across the diary of Grace Danforth, daughter of rural homesteaders in the pre-Civil War era. Grace's diary is a coming of age expose about life and love on the windswept plains of Kansas territory. it is through this discovery that Mercy learns of her own bond with the ghost of a man she called Mr. Pockets, and her life as Grace Danforth. It becomes her life goal to find out the chilling truth of what separated the couple and provide them with the peace so long denied them.

The Phantom of the Opera

The Phantom of the Opera

"Mac and Pat were both in loveless marriages and unbeknown to each other, were deeply in love. Tragically they kept this hidden for ten long years, before finally revealing their true feelings for one another. They fell deeply in love in every possible way, keeping their love light burning through beautiful poetic love letters, when distance so often forced them apart. Herein lies a beautiful collection of Mac's love letters to his darling Pat, declaring his undying love for the woman who so completed him in every possible way. Despite their new found happiness, their life was not without anguish and turmoil, and after a final cruel twist of fate, their deep felt love for each other would end suddenly as Mac passed away. Their precious legacy lives on today through their three Children, and three Grand Children"

(Easy Piano Vocal Selections). This hit musical, inspired by the Twentieth Century Fox motion picture, came to Broadway in April 2017. This collections features easy piano arrangements with lyrics of 14 songs by Lynn Ahrens and Stephen Flaherty, including: Close the Door \* Everything to Win \* Journey to the Past \* Learn to Do It \* Once upon a December \* Paris Holds the Key (To Your Heart) \* A Rumor in St. Petersburg \* Still \* and more.

The Britannica Book fo the Year 2011 provides a valuable viewpoint on the people and events that shaped the year. In addition to keeping the Encyclopaedia Britannica updated, it serves as a great reference source for the latest news on the ever-changing populations, governments, and economies throughout the world.

An endlessly entertaining and informative look at how musicals have both reflected and adapted to America's changing mores

The Phantom of the Opera

The 1910s shaped the future of the American musical. While many shows of the decade were imports of European operettas, and even original Broadway musicals were influenced by continental productions, the musicals of the 1910s found their own American voice. In The Complete Book of 1910s Broadway Musicals, Dan Dietz covers all 312 musicals that opened on Broadway during this decade. Among the shows discussed are The Balkan Princess, The Kiss Waltz, Naughty Marietta, The Firefly, Very Good Eddie, Leave It to Jane, Watch Your Step, See America First, and La-La-Lucille. Dietz places each musical in its historical context, including the women’s suffrage movement and the decade’s defining historical event, World War I. Each entry features the following: Plot summary Cast members Creative team, including writers, lyricists, composers, directors, choreographers, and producers Opening and closing dates Number of performances Critical commentary Musical numbers and the performers who introduced the songs Numerous appendixes include a chronology, discography, filmography, Gilbert and Sullivan productions, Princess Theatre musicals, musicals with World War I themes, and published scripts, making this book a comprehensive and significant resource. The Complete Book of 1910s Broadway Musicals will captivate and inform scholars, historians, and casual fans about this influential decade in musical theatre history.

The Phantom of the Opera

Nineteenth-century British periodicals for girls and women offer a wealth of material to understand how girls and women fit into their social and cultural worlds, of which music making was an important part. The Girl's Own Paper, first published in 1880, stands out because of its rich musical content. Keeping practical usefulness as a research tool and as a guide to further reading in mind, Judith Barger has catalogued the musical content found in the weekly and later monthly issues during the magazine's first thirty years, in music scores, instalments of serialized fiction about musicians, music-related nonfiction, poetry with a musical title or theme, illustrations depicting music making and replies to musical correspondents. The book's introductory chapter reveals how content in The Girl's Own Paper changed over time to reflect a shift in women's music making from a female accomplishment to an increasingly professional role within the discipline, using 'the piano girl' as a case study. A comparison with musical content found in The Boy's Own Paper over the same time span offers additional insight into musical content chosen for the girls' magazine. A user's guide precedes the chronological annotated catalogue; the indexes that follow reveal the magazine's diversity of approach to the subject of music.
