4 out of 5 stars to M is for Malice, the 13th book in the "Kinsey Millhone" mystery series, written in 1996 by Sue Grafton. When I first picked up this book, as I was far behind in the series and not able to read them as they were published, I got very excited. My favorite type of books to read are about family dramas and whodunits.

M is for Malice does not disappoint. There is a little of Kinsey's quirkiness in most of us, that adds to the series charm. Her innate sense of seeing justice done at all costs and her continued persistence adds to Kinsey's appeal. Some of the plots are more predictable, and some can be a little outlandish (L is for Lawless).
