The Essential Handbook contains information on surviving the first few days, making shelters, crafting tools and weapons, and finding both resources and food. In July 2015, an updated version of the book was released. This is the first book to be made, as well as the first to be published by Scholastic.

We purchased the Minecraft Essential Handbook and the Minecraft Construction Handbook for them and they loved them. They share the books back and forth and flip through them to get ideas for building things. They are using the iPad Pocket Edition that doesn't have all the bells and whistles that the PC version has, but these books are still good for general guidance and ideas. They are great ...
