A charming and insightful memoir about coming of age as a fashion journalist in 1980s Paris, by former *Vogue* and *Harper's Bazaar* editor Kate Betts, the author of *Everyday Icon: Michelle Obama and the Power of Style* "You can always come back," my mother said. "Just go." As a young woman, Kate Betts nursed a dream of striking out on her own in a faraway place and becoming a glamorous foreign correspondent. After college—and not without trepidation—she took off for Paris, renting a room in the apartment of a young BCBG (bon chic, bon genre) family and throwing herself into the local culture. She was determined to master French slang, style, and *savoir faire*, and to find a job that would give her a reason to stay. After a series of dues-paying jobs that seemed only to reinforce her outsider status, Kate's hard work and willingness to take on any assignment paid off: Her writing and intrepid forays into *la France Profonde*—true France—caught the eye of John Fairchild, the mercurial fashion arbiter and publisher of *Women's Wear Daily*, the industry's bible. Kate's earliest assignments—investigating the mineral water preferred by high society, chasing after a costumed band of wild boar hunters through the forests of Brittany—were a rough apprenticeship, but she was rewarded for her efforts and was initiated into the elite ranks of Mr. Fairchild's trusted few who sat beside him in the front row and at private previews in the ateliers of the gods of French fashion. From a woozy yet mesmerizing Yves Saint Laurent and

the mischievous and commanding Karl Lagerfeld to the riotous, brilliant young guns who were rewriting all the rules—Martin Margiela, Helmut Lang, John Galiano—Betts gives us a view of what it was like to be an American girl, learning about herself, falling in love, and finding her tribe. Kate Betts’s captivating memoir brings to life the enchantment of France—from the nightclubs of 1980s Paris where she learned to dance Le Rock, to the lavender fields of Provence and the grand spectacle of the Cour Carrée—and magically re-creates that moment in life when a young woman discovers who she’s meant to be. Praise for *My Paris Dream* “[A] glittering coming-of-age tale.”—*Entertainment Weekly* (The Must List) “Fashion and self-examination—froth and wisdom—might seem like odd bookfellows, but Betts brings them together with winning confidence.”—*The New York Times Book Review* “As light and refreshing as an ice cream cone from the legendary Berthillon, *My Paris Dream* evokes the sights, sounds, smells and styles of 1980s Paris.”—*USA Today* “*My Paris Dream* is awesome.”—*Man Repeller* “What was Bett’s Paris dream? Her dream was her awakening, [which] is elegantly chronicled in these pages.”—*The Daily Beast* “For those who are interested in the men and women involved in haute couture, Betts’ reminiscences will be a delight.”—*Kirkus Reviews* “Full of slangy French, delectable food and swoon-worthy fashion.”—*BookPage* “An amazing story of a young woman in Paris trying to break into the fashion business.”—Sophia Amoruso, author of *#GIRLBOSS* “Kate Betts’s story brought me back to my own young self and the journey I made—in my case, from a small town in Illinois to New York City.”—Cindy Crawford

"A chef buys an apartment in Paris and endures the headaches and excitement of renovating his own corner of paradise in the City of Light"--

A New York Times Bestseller "Sciolino’s sharply observed account serves as a testament to...Paris—the city of light, of literature, of life itself." —The New Yorker Elaine Sciolino, the former Paris Bureau Chief of the New York Times, invites us on a tour of her favorite Parisian street, offering an homage to street life and the pleasures of Parisian living. "I can never be sad on the

## Read Online My Paris Dream An Education In Style Slang And Seduction In The Great City On The Seine

rue des Martyrs," Sciolino explains, as she celebrates the neighborhood's rich history and vibrant lives. While many cities suffer from the leveling effects of globalization, the rue des Martyrs maintains its distinct allure. On this street, the patron saint of France was beheaded and the Jesuits took their first vows. It was here that Edgar Degas and Pierre-Auguste Renoir painted circus acrobats, Emile Zola situated a lesbian dinner club in his novel *Nana*, and François Truffaut filmed scenes from *The 400 Blows*. Sciolino reveals the charms and idiosyncrasies of this street and its longtime residents—the Tunisian greengrocer, the husband-and-wife cheesemongers, the showman who's been running a transvestite cabaret for more than half a century, the owner of a 100-year-old bookstore, the woman who repairs eighteenth-century mercury barometers—bringing Paris alive in all of its unique majesty. *The Only Street in Paris* will make readers hungry for Paris, for cheese and wine, and for the kind of street life that is all too quickly disappearing.

An instant *New York Times*, *Washington Post*, and *USA TODAY* bestseller—based on the true story of the heroic librarians at the American Library in Paris during World War II—*The Paris Library* is a moving and unforgettable “ode to the importance of libraries, books, and the human connections we find within both” (Kristin Harmel, *New York Times* bestselling author). *Paris, 1939*: Young and ambitious Odile Souchet seems to have the perfect life with her handsome police officer beau and a dream job at the American Library in Paris. When the Nazis march into the city, Odile stands to lose everything she holds dear, including her beloved library. Together with her fellow librarians, Odile joins the Resistance with the best weapons she has: books. But when the war finally ends, instead of freedom, Odile tastes the bitter sting

## Read Online My Paris Dream An Education In Style Slang And Seduction In The Great City On The Seine

of unspeakable betrayal. Montana, 1983: Lily is a lonely teenager looking for adventure in small-town Montana. Her interest is piqued by her solitary, elderly neighbor. As Lily uncovers more about her neighbor's mysterious past, she finds that they share a love of language, the same longings, and the same intense jealousy, never suspecting that a dark secret from the past connects them. "A love letter to Paris, the power of books, and the beauty of intergenerational friendship" (Booklist), The Paris Library shows that extraordinary heroism can sometimes be found in the quietest places.

**#1 NEW YORK TIMES BESTSELLER • ONE OF ESSENCE'S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS** In this iconic memoir of his early days, Barack Obama "guides us straight to the intersection of the most serious questions of identity, class, and race" (The Washington Post Book World). "Quite extraordinary."—Toni Morrison In this lyrical, unsentimental, and compelling memoir, the son of a black African father and a white American mother searches for a workable meaning to his life as a black American. It begins in New York, where Barack Obama learns that his father—a figure he knows more as a myth than as a man—has been killed in a car accident. This sudden death inspires an emotional odyssey—first to a small town in Kansas, from which he retraces the migration of his mother's family to Hawaii, and then to Kenya, where he meets the African side of his family, confronts the bitter truth of his father's life, and at last reconciles his divided inheritance. Praise for *Dreams from My Father* "Beautifully crafted . . . moving and candid . . . This book belongs on the shelf beside works like James McBride's *The Color of Water* and Gregory Howard Williams's *Life on the Color Line* as a tale of living astride America's racial categories."—Scott

Turow “Provocative . . . Persuasively describes the phenomenon of belonging to two different worlds, and thus belonging to neither.”—The New York Times Book Review “Obama’s writing is incisive yet forgiving. This is a book worth savoring.”—Alex Kotlowitz, author of *There Are No Children Here* “One of the most powerful books of self-discovery I’ve ever read, all the more so for its illuminating insights into the problems not only of race, class, and color, but of culture and ethnicity. It is also beautifully written, skillfully layered, and paced like a good novel.”—Charlayne Hunter-Gault, author of *In My Place* “Dreams from My Father is an exquisite, sensitive study of this wonderful young author’s journey into adulthood, his search for community and his place in it, his quest for an understanding of his roots, and his discovery of the poetry of human life. Perceptive and wise, this book will tell you something about yourself whether you are black or white.”—Marian Wright Edelman

Now a New York Times Bestseller *Paris* was practically perfect... Craig Carlson was the last person anyone would expect to open an American diner in Paris. He came from humble beginnings in a working-class town in Connecticut, had never worked in a restaurant, and didn't know anything about starting a brand-new business. But from his first visit to Paris, Craig knew he had found the city of his dreams, although one thing was still missing—the good ol' American breakfast he loved so much. *Pancakes in Paris* is the story of Craig tackling the impossible—from raising the money to fund his dream to tracking down international suppliers for “exotic” American ingredients... and even finding love along the way. His diner, *Breakfast In America*, is now a renowned tourist destination, and the story of how it came to be is just as delicious and satisfying as the classic breakfast that tops its menu.

A collection of stories and 100 sweet and savory French-inspired recipes from popular food blogger David Lebovitz, reflecting the way Parisians eat today and featuring lush photography taken around Paris and in David's Parisian kitchen. In 2004, David Lebovitz packed up his most treasured cookbooks, a well-worn cast-iron skillet, and his laptop and moved to Paris. In that time, the culinary culture of France has shifted as a new generation of chefs and home cooks—most notably in Paris—incorporates ingredients and techniques from around the world into traditional French dishes. In *My Paris Kitchen*, David remasters the classics, introduces lesser-known fare, and presents 100 sweet and savory recipes that reflect the way modern Parisians eat today. You'll find Soupe à l'oignon, Cassoulet, Coq au vin, and Croque-monsieur, as well as Smoky barbecue-style pork, Lamb shank tagine, Dukkah-roasted cauliflower, Salt cod fritters with tartar sauce, and Wheat berry salad with radicchio, root vegetables, and pomegranate. And of course, there's dessert: Warm chocolate cake with salted butter caramel sauce, Duck fat cookies, Bay leaf poundcake with orange glaze, French cheesecake...and the list goes on. David also shares stories told with his trademark wit and humor, and lush photography taken on location around Paris and in David's kitchen reveals the quirks, trials, beauty, and joys of life in the culinary capital of the world.

NEW YORK TIMES BESTSELLER • Trailblazing food writer and beloved restaurant critic Ruth Reichl took the job (and the risk) of a lifetime when she entered the high-stakes world of magazine publishing. Now, for the first time, she chronicles her groundbreaking tenure as editor in chief of *Gourmet*. "A must for any food lover . . . Reichl is a warm, intimate writer. She

## Read Online My Paris Dream An Education In Style Slang And Seduction In The Great City On The Seine

peels back the curtain to a glamorous time of magazine-making. You'll tear through this memoir."—Refinery29 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Real Simple • Good Housekeeping • Town & Country When Condé Nast offered Ruth Reichl the top position at America's oldest epicurean magazine, she declined. She was a writer, not a manager, and had no inclination to be anyone's boss. Yet Reichl had been reading *Gourmet* since she was eight; it had inspired her career. How could she say no? This is the story of a former Berkeley hippie entering the corporate world and worrying about losing her soul. It is the story of the moment restaurants became an important part of popular culture, a time when the rise of the farm-to-table movement changed, forever, the way we eat. Readers will meet legendary chefs like David Chang and Eric Ripert, idiosyncratic writers like David Foster Wallace, and a colorful group of editors and art directors who, under Reichl's leadership, transformed stately *Gourmet* into a cutting-edge publication. This was the golden age of print media—the last spendthrift gasp before the Internet turned the magazine world upside down. Complete with recipes, *Save Me the Plums* is a personal journey of a woman coming to terms with being in charge and making a mark, following a passion and holding on to her dreams—even when she ends up in a place she never expected to be. Praise for *Save Me the Plums* “Poignant and hilarious . . . simply delicious . . . Each serving of magazine folklore is worth savoring. In fact, Reichl's story is juicier than a Peter Luger porterhouse. Dig in.”—The New York Times Book Review “In this smart, touching, and dishy memoir . . . Ruth Reichl recalls her years at the helm of *Gourmet* magazine with clear eyes, a sense of humor, and some very appealing recipes.”—Town & Country “If you haven't picked up food writing queen Ruth Reichl's new book, *Save Me the Plums*, I highly recommend you fix that problem. . . . Reichl is in top form and ready to dish,
