Portage | The Education People

The Portage Project was developed in Portage, Wisconsin, in 1969 as a model early intervention program originally funded through the Handicap Children and Early Educational Program (HCEEP). Still a mainstay program in South Central Wisconsin, the Portage Project has grown and now offers training and replication services for other sites as well as a curriculum guide.

Portage Project - Early Childhood Education - Pedagogy

Portage is a home-visiting educational service for pre-school children with SEND and their families. Portage aims to: work with families to help them develop a quality of life and experience, for themselves and their young children, in which they can learn together, play together, participate and be included in their community in their own right.
