"Prayers for the Stolen" is based on real events that happen every day in contemporary Mexico: In the ongoing narco war, girls and young women are stolen and sold off, or kept by drug lords and their enforcers as slaves - it is particularly dangerous for young women to try to cross the border to the United States, where human traffickers lie in wait, or to live in those Mexican states that are largely controlled by the cartels, with the government being complicit.

A woman can be sold to different owners many times, and even dozens of times a day as a prostitute, while a plastic bag of drugs can be sold once. Prayers for the Stolen is a novel about Ladydi Garcia Martinez. She is part of a community, like so many in rural Mexico, that has been decimated by drug traffickers, government agricultural policies and illegal immigration.

Born in a rural Mexico region where girls are disguised as boys to avoid the attentions of traffickers, Ladydi dreams of a better life before moving to Mexico City, where she falls in love and ends up in a prison with other women who share her experiences. By the award-winning author of A True Story Based on Lies.

The haunting novel of love and survival that inspired Mexico's official submission for International Feature Film—now shortlisted for the 94th Academy Awards® and streaming on Netflix "Prayers for the Stolen gives us words for what we haven't had words for before, like something translated from a dream in a secret language. . . . Beguiling, and even crazily enchanting."—Francisco Goldman, New York Times Book Review FINALIST FOR THE PEN/FAULKNER PRIZE • AN IRISH TIMES BOOK OF THE YEAR Ladydi Garcia Martinez is fierce, funny, and smart. She was born into a world where being a girl is a dangerous thing. In the mountains of Guerrero, Mexico, women must fend for themselves, as their men have left to seek opportunities elsewhere. Here in the shadow of the drug war, bodies turn up on the outskirts of the village to be taken back to the earth by scorpions and snakes. School is held sporadically, when a volunteer can be coerced away from the big city for a semester. In Guerrero the drug lords are kings, and mothers disguise their daughters as sons, or when that fails they "make them ugly"—cropping their hair, blackening their teeth, anything to protect them from the rapacious grasp of the cartels. And when the black SUVs roll through town, Ladydi and her friends burrow into holes in their backyards like animals, tucked safely out of sight. While her mother waits in vain for her husband's return, Ladydi and her friends dream of a future that holds more promise than mere survival, finding humor, solidarity, and fun in the face of so much tragedy. When Ladydi is offered work as a nanny for a wealthy family in Acapulco, she seizes the chance, and finds her first taste of love with a young caretaker there. But when a local murder tied to the cartel implicates a friend, Ladydi's future takes a dark turn. Despite the odds against her, this spirited heroine's resilience and resolve bring hope to otherwise heartbreaking conditions. An illuminating and affecting portrait of women in rural Mexico, and a stunning exploration of the hidden consequences of an unjust war, PRAYERS FOR THE STOLEN is an unforgettable story of friendship, family, and determination.

"Pearl's mother took her away from her family just weeks after she was born, and drove off to central Florida determined to begin a new life for herself and her daughter—in the parking lot next to a trailer park. Pearl grew up in the front seat of her '94 Mercury, while her mother lived in the back. Despite their hardships, mother and daughter both adjusted to life, making friends with the residents of the trailers and creating a deep connection to each other"—Amazon.com.

The beautifully written, deeply affecting story of Jean-Michel Basquiat's partner, her past, and their life together An NPR Best Book of the Year Selection New York City in the 1980s was a mesmerizing, wild place. A hotbed for hip hop, underground culture, and unmatched creative energy, it spawned some of the most significant art of the 20th century. It was where Jean-Michel Basquiat became an avant-garde street artist and painter, swiftly achieving worldwide fame. During the years before his death at the age of 27, he shared his life with his lover and muse, Suzanne Mallouk. A runaway from an unhappy home in Canada, Suzanne first met Jean-Michel in a bar on the Lower East Side in 1980. Thus began a tumultuous and passionate relationship that deeply influenced one of the most exceptional artists of our time. In emotionally resonant prose, award-winning author Jennifer Clement tells the story of the passion that swept Suzanne and Jean-Michel into a short-lived, unforgettable affair. A poetic interpretation like no other, Widow Basquiat is an expression of the unrelenting power of addiction, obsession and love.

A True Story Based on Lies is a remarkable and original novel that addresses the universal issues of class discrimination, male oppression and female servitude through dual narratives ofspellbinding power. Set in contemporary Mexico, the book charts the consequences of a sexual relationship between Leonora, a servant in the wealthy O'Connor home, and her master. When a child, Aura Olivia, is born from this union she is brought up as the daughter of the house. As the novel unfolds, the 'true' story gradually emerges.

Abandoned by her mother as a baby, Emily now lives with her father in Mexico City. She works in the local Catholic orphanage. Life is simple. But when an enigmatic cousin, Santi, appears on the doorstep he brings family secrets, and soon Emily finds desire and temptation have overturned her straightforward life forever.

Quién habla es Ladydi García Martínez, una chiquilla de ojos color café que vive en las montañas de Guerrero; una tierra sin maridos, sin padres y casi sin hermanos porque todos se han ido a buscar fortuna al otro lado y ninguno se ha molestado en volver. Ése es el lugar donde lo mejor que le puede ocurrir a una niña es nacer fea, porque en cuanto los narcos tienen noticia de que una joven hermosa anda por ahí, acuden como buitres en busca de su presa. Ése es el pueblo donde ya nadie le reza a Dios porque ni de él se fían. Pese a todo, en ese infierno Ladydi crece rodeada de amigas que sueñan con un futuro más esperanzador que el mero sentido de sobrevivencia, y al lado de una madre entrañable capaz de robar, maldecir y retir cuando lo viene en gana. Así, Jennifer Clement nos lleva a un lugar donde confluyen el humor y la desesperación, y las mujeres enfrentan las tragedias con solidaridad y dignidad.
