Slow Burn City: London in the Twenty-First Century by. Rowan Moore. 4.37 · Rating details · 71 ratings · 8 reviews London has become the global city above all others. Money from all over the world flows through it; its land and homes are tradable commodities; it is a nexus for the world's migrant populations, rich and poor. Versions of what ...

*Slow Burn City: London in the Twenty-First Century* by ...

Slow Burn City by Rowan Moore looks at how our metropolis is changing, and the terrible damage being done by soulless corporate developments and volume house-builders. The book argues that London is something like an organic entity that goes through long cycles of expansion and decay.

*Slow Burn City: London in the Twenty-First Century, Moore* ...

Fiercely intelligent, thought-provoking, lucidly written, and often outrageously and uncomfortably funny, Slow Burn City is packed with fascinating stories about the physical fabric of London in the 21st century. But by seeing this fabric as the theater of social and cultural struggles, Moore connects the political and architectural decisions of London's enfeebled and reactive government with the built environment that affects its inhabitants' everyday lives.

*Slow Burn City : London in the Twenty-First Century* ...

The city must change, of course, but Moore explains why it should do so with a "slow burn," through the interplay of private investment, public good, and legislative action. Fiercely intelligent, thought-provoking, lucidly written, and often outrageously and uncomfortably funny, Slow Burn City is packed with fascinating stories about the physical fabric of London in the 21st century.

With a new introduction for the paperback. London is a supreme achievement of civilization. It offers fulfilments of body and soul, encourages discovery and invention. It is a place of freedom, multiplicity and co-existence. It is a Liberal city, which means it stands for values now in peril. London has also become its own worst enemy, testing to destruction the idea that the free market alone ...
