Take students in grades 6 and up on a field trip without leaving the classroom using World Geography: Daily Skill Builders! This 96-page book features two short, reproducible activities per page and includes enough lessons for an entire school year. It covers topics such as location and place, human-environment interaction, different types of maps, map reading, and the regions and countries of the world. Activities become more challenging as students build upon what they have learned. The book is perfect for review and practice and supports National Geography Standards.

GRADES 3-6: With age-appropriate activities, this beginning social studies workbook helps children build knowledge and skills for a solid foundation in map skills and geography. INCLUDES: This elementary workbook features easy-to-follow instructions and practice on key topics such as US geography, grid maps, US regions, global geography, North and South American geography, and more! ENGAGING: This geography and map workbook features colorful photographs and illustrations with fun, focused activities to entertain children while they grasp concepts and skills for success. HOMESCHOOL FRIENDLY: This elementary workbook for kids is a great learning resource for at home or in the classroom and allows parents to supplement their children's learning in the areas they need it most. WHY CARSON DELLOSA: Founded by two teachers more than 40 years ago, Carson Dellosa believes that education is everywhere and is passionate about making products that inspire life's learning moments.

Explore the world with students in grades 7-8 using Discovering the World of Geography. This 128-page book helps students use geographical knowledge and skills to interpret and analyze data. This text covers topics including population, political landscapes, climate, understanding developed and underdeveloped countries, and regions of conflict. The book presents information through activities such as maps, charts, diagrams, and graphs that support National Geography Standards. It also includes assessments and answer keys.
