The Big Fun Preschool Activity Book: Build skills and confidence through puzzles and early learning activities!

Get ready for Kindergarten with this innovative activity workbook, featuring a fresh approach to developing essential skills for school readiness and success.

The Big Fun Second Grade Workbook contains more than 250 pages of learning activities blended with a variety of puzzles that support the learning. With a unique combination of practice activities and puzzles, this workbook will help second graders build skills in reading, writing and vocabulary, as well as math concepts including basic mathematical functions, fractions, measurement and time, and grade-appropriate social studies and science skills. Kids will be engaged by the learning activities while doing age-appropriate Hidden Pictures puzzles, mazes, matching puzzles, scavenger hunts, and find-the-difference puzzles. All activities will help kids feel confident in school while supplementing their classroom activities. In addition, each book includes an introduction that is full of simple tips to help parents guide their second graders through the activities in these workbooks.

Hooray for first grade! This award-winning workbook reinforces what kids are learning in the classroom with a fresh approach to developing skills for school success. With over 250 pages of fun puzzle-based activities including Highlights(tm) Hidden Pictures®, first graders will practice a variety of skills in subjects like language arts, math, and science through exercises that will boost their confidence and supplement what they're learning in school. The book also has an introduction with simple tips for parents, a Certificate of Achievement and online activities. Developed with educational experts, teacher-approved, and aligned with state standards, this workbook will engage students and get them excited about learning! Includes: Word recognition Digraphs and consonant blends Homophones Shapes Numbers Addition Subtraction Sequencing Science and more! Winner, Family Choice Award Winner, PAL (Play Advances Language) Award A Parents' Choice Recommended Book PAL (Play Advances Language) Top Ten Pick

Get ready for preschool! Designed for children who are about to begin school for the first time, this activity-rich, teacher-approved workbook combines skills practice with puzzles, humor, and reward stickers. This book lowers the barriers to learning and sets children up for early learning success. Highlights brings "Fun with a Purpose" into this 144-page workbook to get kids excited about school before they even begin. This workbook introduces essential early learning skills and concepts, such as fine-motor control, letters, numbers, shapes, and colors. The book also encourages the development of other fundamental building blocks of learning--like focus and attention to detail--and it introduces what to expect in a preschool classroom. Plus, kids will love the bonus pull-out Hidden Pictures progress poster, fun reward stickers, award certificate, and extra activities that they can take outdoors.

This Big Kindergarten Workbook combines popular 32-page School Zone workbooks into one convenient 320-page volume. Child-friendly exercises and full-color illustrations make learning fun. Use Big Workbooks to reinforce or review grade-level skills or prepare for the upcoming school year. Contents include: Numbers 1-12, Alphabet, Hidden Pictures, Thinking Skills, Transition Math, Reading Readiness Book 1, and Reading Readiness Book 2, Zoo Scholar, Following Directions, and Colors. (Ages 4-5)
