The Physician's Guide to Investing: A Practical Approach ...

Although physicians are extremely intelligent, hard working, and superbly trained in medicine, they are often poorly trained in how to invest the hard-earned fruits of their labor. In The Physician's Guide to Investing: A Practical Approach to Building Wealth, a successful physician/investor and a professor of finance join forces to present an easy-to-read, commonsense guide to investing, especially tailored to the needs of medical

Practical Approach ...

Nearly all employed attending physicians and some residents will have access to a workplace retirement plan or plans. For the employed physician, the most common names for those are 401 (k) and 403 (b). There could also be a 401 (a) in there, as well, which is often used for matching or profit sharing.
