The post-war Anglo-American consensus: The United States overtook the British Empire's role as the leading economy on the world stage after the end of the Second World War. Up to this point, the British had still been the dominant world power in the highly-sought after oil-rich region of the Middle East.

War II loan made to the United Kingdom by the United States on 15 July 1946, enabling its battered economy to keep afloat. The loan was negotiated by British economist John Maynard Keynes and American diplomat William L. Clayton. Problems arose on the American side, with many in Congress reluctant, and with sharp differences between the treasury and state departments.

Portfolio to cleaner metals and minerals as part of the company's sustainability plan. Anglo American chief executive Mark Cutifani said that the company had set an "ambitious goal" of carbon neutrality across its entire operations by year 2040, with eight of its assets to get there by 2030.

Since 1945 neo-Nazi and far right extremists on both sides of the Atlantic have developed rich cultures which regularly exchange ideas. Leading activists such as Colin Jordan and George Lincoln Rockwell have

Where To Download The Post War Anglo American

helped to establish what has become a complex web of marginalised extremism. This book examines the history of this milieu to the present day.

Exploring case studies from the first Gulf War to the Syria crisis, this book discusses different approaches to the use of international law and the role it plays in international power politics. Analysis of the post-Cold War overseas military involvements of Western powers has focused on their legality and legitimacy, allowing for a conflation of the concepts

Where To Download The Post War Anglo American

and distracting from the true source of international legitimacy. Demonstrating compliance with international law can be helpful, but it plays a secondary role to other, more powerful considerations such as national interest and shared national security concerns. Exploring the key drivers for decision-makers, this book identifies the impact of previous experience on the use of international law in the quest for legitimacy ahead of launching military action. Patterns in approach and of relations between close Western allies (in particular the UK and US)

Where To Download The Post War Anglo American

are identified, offering valuable lessons for future strategic decision-making. This book will appeal to scholars and students of International Relations and International Law. Think Tanks focussing on International Relations and the use of force and practitioners working in the realm of foreign policy with a focus on the UN and international law will also be interested in the study and conclusions drawn.

This book provides readers with an insight to a previously unexplored aspect of Anglo-American economic diplomacy during the Second

Where To Download The Post War Anglo American World War. A Special Relationship Of

Middle East oil and Anglo-American special relations were among the most contentious issues during the Cold War. Oil is crucial to our understanding of Britain's and the USA's Cold War policies in the Middle East. This book presents an in-depth study of the issues of the period and the legacy of oil in the post Cold war era.

After 1949, the British Empire in Hong Kong was more vulnerable than the lack of Chinese demand for return and the success of Hong Kong's economic

Where To Download The Post War Anglo American

transformations might have suggested. Its vulnerability stemmed as much from Britain's imperial decline and America's Cold War requirements as from a Chinese threat. It culminated in the little known '1957 Question', a year when the British position in Hong Kong appeared more uncertain than any time since 1949. This is the first scholarly study that places Hong Kong at the heart of the Anglo-American relationship in the wider context of the Cold War in Asia. Unlike existing works, which tend to treat British and US policies in isolation, this book

Where To Download The Post War Anglo American

explores their dynamic interactions - how the two allies perceived, responded to, and attempted to influence each other's policies and actions. It also provides a major reinterpretation of Hong Kong's involvement in the containment of China. Dr Mark arguesthat, concerned about possible Chinese retaliation, the British insisted and the Americans accepted that Hong Kong's role should be as discreet and non-confrontational in nature as possible. Above all, top decision-makers in Washington evaluated Hong Kong's significance not in its own right, but inthe

Where To Download The Post War Anglo American

context of the Anglo-American relationship: Hong Kong was seen primarily as a bargaining chip to obtain British support for US policy elsewhere in Asia. By using a variety of British and US archival material as well as Chinese sources, Dr Mark examines how the British and US government discussed, debated, and disagreed over Hong Kong's role in the Cold War, and reveals the dynamics of the Anglo-American alliance and the dilemmas of small allies in a global conflict.

Assesses why the Anglo-American special relationship found a new

Where To Download The Post War Anglo American

Far Right A Special Relationship Of Blair as Britain repeatedly 'chose' the US in its evolving foreign policy orientation rather than Europe. This book argues that there was no inevitability about this response to the post 9/11 international situation and its longer term prospects remain in doubt.

This Book is a Gripping Account of the Murky World of the Anglo-American Oil Industry and its Hidden Role in World Politics. William Engdahl takes the reader through the history of how seven giant oil companies - five American and two British - developed a

Controlling Grip on the
world's economy

unprecedented in history.

This is no ordinary history of oil. It is a history of global politics, more precisely of global geopolitics - how control of strategic geographical pivot regions first British and later American interests to control in large part the world economy. The book sheds light for the first time on such events as the 1973 oil shock - a sudden 400% rise in the price of the world's most essential commodity in a matter of weeks. What William Engdahl reveals, with flawless documentation, will shock

Where To Download The Post War Anglo American

most people. The implications are even more devastating. He also documents how oil played an essential role in the ultimate collapse of the Soviet Union, in the rise and fall of the Taliban in Afghanistan, in the US occupation of Iraq and countless other events not normally understood in such a light. Contents: Ch. 1. The Three Pillars of the British Empire. Ch. 2. The Lines are Drawn: Germany and the Geopolitics of the Great War. Ch. 3. A Global Fight for Control of Petroleum Begins. Ch. 4. This book provides an in-
depth analysis of UK-US
intelligence cooperation in

Where To Download The Post War Anglo American

the post-9/11 world. Seeking to connect an analysis of intelligence liaison with the wider realm of Anglo-American Relations, the book draws on a wide range of interviews and consultations with key actors in both countries. The book is centred around two critical and empirical case studies, focusing on the interactions on the key issues of counterterrorism and weapons of mass destruction (WMD) counter-proliferation. These case studies provide substantive insights into a range of interactions such as 9/11, the 7/7 London bombings, the A.Q. Khan nuclear network, the prelude

Scholar at the Center for Peace and Security Studies, Georgetown University, and has contributed to the International Security Programme at Chatham House and to the work of IISS, London.

Since the Second World War, the idea of a special relationship between Britain and the United States has become a standard component of the political lexicon. This text looks at the reality of this, and at the future of this relationship.

In a gripping story of international power and deception, Engel reveals the

Where To Download The Post War Anglo American

"special relationship" between the United States and Great Britain. As allies, they fought Communism; as rivals, they clashed over which would lead the Cold War fight. In the quest for sovereignty and hegemony, Engel shows that one important key was airpower, which created jobs, forged ties with the developing world, and ensured military superiority, ultimately affecting forever the global balance of power.
