Indigenous Peoples In The United ...

The genocide of indigenous peoples is the mass destruction of entire communities of indigenous peoples.

Indigenous peoples are understood to be people whose historical and current territory has become occupied by colonial expansion, or the formation of a state by a dominant group such as a colonial power.. While the concept of genocide was formulated by Raphael Lemkin in the mid-20th century ...

Synopsis. Expand/Collapse Synopsis.
This book investigates the forced migration of the Delawares in the United States and the Yaquis in Mexico, focusing primarily on the impact removal from tribal lands had on the (ethnic) identity of these two indigenous societies. It analyzes Native responses to colonial and state policies to determine the practical options that each group had in dealing with the states in which they lived.
