Defining word study as the direct exploration and analysis of words--through phonics, vocabulary, and spelling instruction--the authors maintain that it is most effective when sound, spelling, and meaning are examined simultaneously. To that end, they offer thirty engaging activities divided into three sections: exploring word structure, examining word meanings, and extending word learning. Provides 30 fun and engaging activities that help students draw on the combined power of sound, spelling, and meaning to investigate words, including high frequency words, word families, and idioms. Suggests ways to build a robust vocabulary across content areas, enabling independent reading of challenging content reading material. Explains how to design your own word study program, and offers scheduling tips and alternate ways to organize depending on the grade level you teach.

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. NOTE: Used books, rentals, and purchases made outside of Pearson If purchasing or renting from companies other than Pearson, the access codes for the PDToolkit for Words Their Way® may not be included, may be incorrect, or may be previously redeemed. Check with the seller before completing your purchase. Written for professional development facilitators and their program participants, literacy coaches, reading specialists, and classroom teachers, this text can also be used in the Reading Methods (Supplementary) or Phonological Awareness and Phonics course. Words Their Way is a hands-on, developmentally-driven approach to word study that illustrates how to integrate and teach children phonics, vocabulary, and spelling skills. Building on its best-selling approach, this edition of Words Their Way continues the phenomenon that has helped thousands of children improve their literacy skills. The keys to this successful, research-based approach are to know your students' literacy progress, organize for instruction, and implement word study. This Sixth Edition lists the Common Core State Standards for each activity, and features enhanced discussions, activities, and content. To offer teachers even more tools that will enhance their word study instruction, all new classroom videos and interactive PDFs are available on the PDToolkit site\*. With its newly designed marginal icons that link readers to resources on the accompanying web site, Words Their Way, provides a complete word study package that will motivate and engage your students, and help them to succeed in literacy learning. \*The PDToolkit is available free for twelve months after you use the password that comes with the book. After twelve months, the subscription must be renewed. To learn more, please visit: <http://pdtoolkit.pearson.com>.

A unique and practical word building primer that offers a strategic, word study approach to vocabulary development with an emphasis on helping users perceive connections among words and elements within words. The book and related exercises provide specific strategies for figuring out the meanings of unfamiliar words and discovering relationships among words based on the affixes and roots that comprise them.Provides strategies and exercises for understanding words through their origins, context clues and word elements including prefixes, suffixes and basic roots.For individuals with an interest in words and their development, as well as those wishing to build their vocabulary using a more productive, active and practical approach than memorization.

Words Their Way is a hands-on, developmentally-driven approach to word study that illustrates how to integrate and teach children phonics, vocabulary, and spelling skills. Building on its best-selling approach, this edition of Words Their Way continues the phenomenon that has helped thousands of children improve their literacy skills. This Fifth Edition features updated activities, expanded coverage of English learners, and emphasis on progress monitoring. All new classroom videos, an enhanced assessment application tool available on a new Web Resources site, as well as enhanced word sorts, picture sorts and games offer teachers even more tools that will enhance their word study instruction.

Rev. ed. of: Words their way / Donald R. Bear ... [et al.]

Take word learning to the next level in your classroom Hungry for lively and engaging ways to augment word study? This hands-on guide to word study instruction connects research with experience to make word learning jubilant and fun. With the goal of instilling curiosity and a self-starting attitude in students, Word Study That Sticks delivers challenging, discovery-based instructional practices that support all learners in any subject area. Lesson ideas, routines, key practices, and special advice for beginning teachers make word study instruction accessible for educators working at every experience level.

"Teaching words and word parts through comics"--Cover.

Building on the experiences gained in her own language arts classroom as well as those of colleagues in different disciplines, Cris Tovani, author of I Read It, but I Don't Get It, takes on the challenge of helping students apply reading comprehension strategies in my subject. In Do I Really Have to Teach Reading?, Cris shows how teachers can expand on their content expertise to provide instruction students need to understand specific technical and narrative texts.
